The lion and mouse story in english - अंग्रेजी में शेर और चूहे की कहानी

Once upon a time there lived a lion in a forest

There he used to hunt everyday and rest in the shade of the tree.

Once after hunting there, he started resting in the shade of the tree and while resting he fell asleep.

Then a mouse came out of the bill

Seeing the lion sleeping, he started playing on it and started jumping.

Then the lion's eyes opened and the lion got very angry.

he caught the mouse in his paws

The rat was very scared and there was trembling due to fear.

And said sir, what will you do after eating me, I am so small, I will help you sometime leave me

Since then he started laughing and said you are so small, what will you help me then the lion left the mouse

After a few days the lion was sleeping in the shade of the tree after hunting again when a hunter came there and trapped the lion inside the net.

After that started running loudly and shouting save save

The hunter ran away from the lion's roar

Then the rat came out of the bill after hearing the sound of the roar.

Very sad to see the lion trapped inside the net

Then the mouse took out the lion by biting the net with its teeth.

After this the lion thanked the mouse and said that today we will live like a good friend.

Moral of the lion and mouse story in english : Never consider anyone small or big, everyone should live together and help each other
